WHY THIS IS MORE THAN A JOB

Having the opportunity to develop your interpersonal skills through the people you meet at the golf course is invaluable. You will be paid in CASH daily while learning the values of hard work, consistency, and professionalism.

You will be required to keep your GPA up, contribute to community service initiatives, and complete 100 loops by the fall of your senior year. If you meet the appropriate criteria you could be eligible for a FULL RIDE Scholarship with tuition & housing to Indiana University or Purdue University!
